

Mark's List Continues Unparalleled Growth in Daily Reach

Over 10,000 new First Degree contacts have been added in the past six months!

The graph below shows the growth in the number of people that a message from Mark's List reaches through the Internet, Email and Social Media like Facebook, YouTube, Foursquare and Twitter on a daily basis. **Mark's List dominates the Florida LGBT Social Media conversation with nearly 50,000 first degree contacts.** What does this mean to your business? At any given moment across all of our social media, email and Internet properties Mark's List can instantly contact over 45,000 people. The message reaches them wherever they are and in some cases, repeatedly, immediately engaging the **Three Touch Rule** and jump-starting word of mouth about your business or event.
